
Speaking of Cybersecurity...: The OWASP Student Chapter PCCoE Seminar

Pune, Maharashtra | 13th October, 2023

On 13th of October, 2023, the OWASP Student Chapter PCCoE, a stand-alone chapter in Pune conducted a session on cybersecurity at S.B. Patil School. The OWASP Student Chapter PCCoE is a team dedicated for working fully towards cybersecurity and creating cyber awareness among the students, and have conducted various fun events through which they have shared the message: "Cyber Security is a Shared Responsibility"

October is celebrated as a Cybersecurity Awareness Month, and the OWASP Student Chapter PCCoE organised a month-long event named CYBERKAVACH that consists of several events through which they are spreading cyber awareness.

The session conducted at S.B. Patil School were specifically designed for Grade VIII and were as follows:

Definition of Cybersecurity, Types of Hackers, Social Engineering, Phishing, Mobile Device Security, Social Media Use, Removable Media, Passwords and Authentication, Cyber Bullying and case studies

The OWASP Student Chapter PCCoE helped create basic level awareness amongst the Grade VIII students through this session. We thank all the members who gave their valuable time and conducted this session. We also thank our principal, Dr. Bindu Saini; and vice principal, Ms. Padmavati Banda for granting permission to conduct this insightful seminar. We hope we for more of such sessions in future too.
