
A Talk on Adolescence and Teenage Issues: In Conversation with Dr. Kothale

Pune, Maharashtra | 9th September, 2023

On 9th September, 2023, a talk and discussion was organised for S.B. Patil Public School's faculty with Dr. Sujata Kothale. The talk was on adolescence and teenage issues faced by students. The discussion was open-ended with Dr. Kothale speaking about various aspects on the subject, and faculty members raising a multitude of questions.

Overall, the conversation was an extremely eye-opening one with questions being asked on sensitive issues that could not have been talked on a regular panel.

And thus, we are thankful to Dr. Kothale for giving us her valuable time and expertise. We are also grateful to our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and HM, Ms. Shubhangi Kulkarni for granting us all this opportunity.
