At S.B. Patil School, we not only nurture students to be better citizens also imbibe the spirit of brotherhood amongst those who are presently in school and those who graduate. And this is why there exists a strong bond between not just our institute and faculty and our alumni, but also a spirit of mentoring between our current students and the pass-outs.

In closing, we thank our principal, Dr. Bindu Saini; vice principal, Vice Principal Ms. Padmavati Banda; and school career counsellor, Ms. Susmita Roy for organising such a wonderful and insightful event.
