

The CBSE Physical Inspection and Audit

Pune, Maharashtra | 27th September, 2023

On 27th September, 2023, a CBSE Audit was conducted at S.B. Patil Public School. Mr. Anway Chikate, Principal, Podar International School, Koparde, Satara; and Ms. Jayashree Jadhav, Principal, Shantiniketan School at Morewadi, Kolhapur were the members of the internal committee who came for the physical inspection.

Arriving by 08:00 am, they were greeted by the principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; Administrative Manager, Mr Manish Dhekale; and the Administration Department Team.

After a brief welcome, they were escorted by the principal, vice principal and administrative officer around the school where in they watched the morning assembly and were introduced to the various faculty members.

Post breakfast, the Inspection Committee then began their physical assessment.

They inspected the school infrastructure including the playground, sports ground, the computer and science labs, the sports room, music and dance rooms... reviewing to see if all equipment is present and intact.

They oversaw a lesson observation; proceeded to review the school documentation; met PCET Chair Person, Ms. Padma M. Bhonsle; and later also met with the students, EPTA and SMC members.

The indepth inspection continued past lunch until 03:30pm in the afternoon.

The inspection was photographed and recorded as per the CBSE guidelines. The auditors were immensely pleased with the way S.B. Patil Public School is run and managed. And they recommended the school for double-shift arrangement.
