

The Chinmaya Geeta Chanting Competition 2026-27

Pune, Maharashtra | October 2026

S.B. Patil Public School believes in nurturing values, wisdom, and spiritual awareness among students. The Chinmaya Geeta Chanting Competition provides a meaningful platform for students to connect with the timeless teachings of the *Shrimad Bhagavad Geeta* through the recitation of its sacred shlokas.

The first round of the competition was held on Tuesday, 25th August 2026, during regular school hours. Students from Nursery to Class XII participated in different groups, with shloka recitation requirements specified according to their respective classes.

Through this initiative, students were encouraged to develop concentration, memory, confidence, and an appreciation for India's rich cultural and spiritual heritage. The activity also aimed to familiarise young learners with the enduring wisdom and values of the Bhagavad Geeta.

The competition offers students an opportunity to strengthen their connection with Indian traditions while cultivating discipline and a spirit of devotion. Participation certificates were awarded to students who recited the shlokas in accordance with the prescribed criteria.
