

The English Storytelling Competition

Pune, Maharashtra | 23rd and 27th January, 2025

The English Storytelling Competition for students in grades III to V took place on 23rd January, 2025, with the goal of boosting students' confidence, creativity, and communication skills.

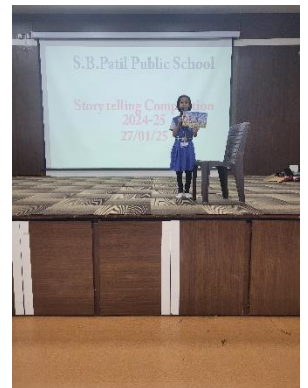

Held in classrooms, the competition encouraged participants to narrate age-appropriate stories in English, each lasting no more than 3-4 minutes. Students were given different themes to focus on based on their grade level: Grade III students focused on being humble to family and friends, Grade IV students on being humble to nature, and Grade V students on being humble to the people around them.

To make their stories more engaging, the children were encouraged to use innovative, homemade props or puppets, adding a visual element to their performances. The stories were self-created, allowing the students to showcase their creativity.

The competition was judged on several criteria, including voice modulation and pronunciation, actions, stage presentation and confidence, content and moral, and the use of props or puppets. Each of these criteria was worth 2 marks, with a total of 10 marks available.

This activity was designed to help students improve their public speaking skills, as well as foster their language abilities, creativity, and coordination. The learning outcomes included enhanced verbal proficiency, longer retention of knowledge, and increased imagination.

The final round of the competition took place on Monday, 27th January, 2025, for the selected students, offering a wonderful opportunity to further develop their storytelling and presentation skills. The results are as follows:
