
The Grade IV Spell Bee Competition

Pune, Maharashtra | 14th October, 2026

The Spell Bee Competition for Grade IV was held on Wednesday, **14th October, 2026**, in the school auditorium. The event aimed to enhance students' spelling, vocabulary, and pronunciation skills while fostering a love for the English language.

The competition featured four engaging rounds:

1. **Jumbled Words:** Students rearranged jumbled letters to form meaningful words.
2. **Find the Hidden Words:** Participants identified hidden words within given phrases or sentences.
3. **Picture Round:** Contestants identified objects shown in pictures and spelled their names correctly.
4. **Pronunciation Round:** Students demonstrated their pronunciation, articulation, and oral language skills.

The English teachers guided and mentored the students in preparation for the Spell Bee Competition, helping them enhance their spelling, vocabulary, and pronunciation skills. Through regular practice and engaging activities, they encouraged students to participate confidently and perform to the best of their abilities.

All participants displayed remarkable enthusiasm, confidence, and commendable performance throughout the competition. The event provided an enriching platform for students to strengthen their language skills, expand their vocabulary, and develop a spirit of healthy competition.

The competition concluded on a positive note, celebrating the students' efforts and encouraging them to explore the English language with greater confidence and enthusiasm.
