

The Hindi Bhasha Diwas Celebration

Pune, Maharashtra | 15th and 16th September, 2026

S.B. Patil Public School celebrated Hindi Diwas with great enthusiasm through two programmes held on 15th and 16th September, 2026. Though conducted on different days and in different settings, both celebrations shared a common purpose—to celebrate the richness of Hindi and deepen students' appreciation of its significance in communication, literature, culture and national identity

The first celebration was held on 15th September in the school auditorium during the second lecture. Student anchors welcomed the audience and introduced the various segments, which included an informative presentation on the importance of Hindi Bhasha, speeches highlighting its relevance, and a PPT exploring the language's history, development and significance. A lively skit on respecting and preserving Hindi, followed by a dance performance, added a creative dimension to the programme. The event concluded with a heartfelt Vote of Thanks acknowledging everyone who contributed to its success.

The celebration continued on 16th September during the Grade 7 morning assembly hosted by the Red House. Conducted entirely in Hindi, the assembly began with the morning prayer and pledge, followed by a speech highlighting the beauty, richness and importance of the language. A delightful Hasya Kavi Sammelan brought humour and creativity to the occasion, while the winners of the Hindi Speech Competition were felicitated for their confidence, oratory skills and command of the language.

Hindi teachers from the Middle and Secondary Sections were also felicitated for their efforts in nurturing the language among students. Ms. Vandana Sangle, Section Coordinator, introduced the teachers and encouraged students to appreciate the richness of formal Hindi beyond everyday conversation. Ms. Darshana Kamat, Secondary Section Coordinator, further enriched the occasion with her inspiring words on the role of language in character building, cultural awareness, communication and holistic development.

Hindi Diwas celebrations also extended to the library on both days. Hindi-language books were issued to students of Grades VI and VII, giving them an opportunity to explore Hindi storybooks. Students of Grades II and III also enjoyed an engaging storytelling session conducted by Hindi teachers Ms. Neha Mittal, Ms. Anjali Barole and Ms. Pooja Bajpayee. Hindi books and magazines were displayed in the library and on the notice board, encouraging students to explore Hindi reading materials.

Together, the two-day celebrations provided students with opportunities to learn, express, perform and appreciate the many dimensions of Hindi. Through presentations, speeches, theatre, dance, poetry, storytelling and recognition of teachers and student speakers, the celebrations concluded on a joyful and meaningful note, leaving the school community with a renewed appreciation for the beauty and enduring importance of the Hindi language.
