

The International Day of Peace Special Assembly

Pune, Maharashtra | 21st September, 2026

"Peace begins with a smile and grows through understanding."

S.B. Patil Public School observed the International Day of Peace through a meaningful and inspiring special assembly conducted by the Grade III Red House students. The assembly aimed to nurture the values of peace, harmony, empathy, respect, and responsible citizenship among students.

The programme commenced with a warm welcome, setting the tone for a thoughtful celebration of peace and unity. This was followed by a melodious peace song, which beautifully conveyed the message of love, harmony, and togetherness.

The students then delivered an informative speech on peace, highlighting the importance of resolving differences through dialogue, kindness, cooperation, and mutual respect. The highlight of the assembly was a series of impactful monologues portraying the lives and messages of great peace advocates – Mahatma Gandhi, Malala Yousafzai, and Nelson Mandela. Through these portrayals, students reflected upon the power of courage, non-violence, education, equality, and perseverance in creating a peaceful world.

Adding energy and social awareness to the programme, the students presented a thought-provoking Nukkad Natak on Peace. Through powerful dialogues and engaging performances, the street play conveyed that peace is not merely the absence of conflict but also the presence of kindness, justice, understanding, and respect in our everyday lives.

The assembly concluded with a heartfelt Vote of Thanks, expressing gratitude to the school leadership, teachers, participants, and everyone who contributed to making the programme meaningful and memorable.

The assembly served as a valuable reminder that peace begins with each one of us—through our words, actions, choices, and the way we treat others. The programme encouraged students to become compassionate individuals who contribute positively towards building a harmonious and peaceful society.

The assembly beautifully reflected the school's mission of nurturing enterprising global citizens by developing empathy, collaboration, awareness, and a sense of responsibility towards the world.
