
Torchbearers of Values, Architects of Tomorrow: The Prerana Navratnas Club Inauguration

Pune, Maharashtra | 30th September, 2025

In alignment with the CBSE's Prerana Utsav initiative, launched by the Ministry of Education, S.B. Patil Public School inaugurated its Prerana Navratnas Club on 30th September, 2025. The programme, designed to instil nine core values among students, marked a milestone in nurturing inspired leadership on campus.

The event was graced by principal, Dr. Bindu Saini; headmaster, Ms. Shubhangi Kulkarni; the section coordinators, faculty members, and students of Grades IX and X. Representing the Prerana Programme, student, Kasturi Patil shared insights on the Prerana Anthem, reinforcing its meaning for her peers.

The programme began with a screening of the CBSE-recommended film *Chalo Jeete Hain*, followed by the unveiling of the club's hand banners by Dr. Saini. Nine student representatives, chosen as the Navratnas, were awarded badges embodying the values of Swabhiman & Vinay, Shaurya & Saahas, Parishram & Samarpan, Karuna & Seva, Vividhta & Ekta, Satyanishtha & Shuchita, Navachar & Jigyasa, Shraddha & Vishwas, and Swatantrata & Kartavya.

A powerful student-led presentation on these values left the audience deeply inspired. In her address, Dr. Saini emphasised the importance of living by values consistently—whether or not one is being observed—and encouraged students to become torchbearers for their peers.

The event concluded with the collective recitation of the Prerana Anthem, leaving behind a strong message of learning, unlearning, and relearning values as a lifelong practice.
