

The Student Leadership Conference 2023

Pune, Maharashtra | 8th to 10th September, 2023

by Dhawala Patil (X-A), Sunidhi C. and Vidhi C (X-C)

The 7th Student Leadership Conference was conducted from 8th to 10th September, 2023 with the theme of “Me to We”. From the SLC 2023, we had a lot to take away, skills, values, friends, memories. Every activity that was conducted, instilled a skill inside the students, that enabled them to be good leaders.

The journey towards leadership started from the inaugural session itself. Leaders: Amita, Sudarshan and Pankti shared their leadership stories, which taught many lessons. Then was a session on teamwork at the destination, Asia Plateau, Panchgani, where teamwork was taught via games, activities and discussions.

The second day was a long one. It began with a Gamethon session by Manish Freeman Sir, where everyone met new people and made good friends. After that, we had 4 parallel sessions to attend. The first one, conducted by Anand sir, was all about story-telling and communication, the skills that a good leader must possess.

The second session was conducted by Manish sir, that was all about knowing yourself and the people around you, which also contained games and activities. The third one, by Sameena ma'am included discussions on acts of kindness and discussions on safe space that a leader has to create. The fourth session contained discussion on the problems around us and their solutions, which included brainstorming, innovation and presentation skills. Then was the trust building session by the teachers of organizing school with discussion on unconscious biases. At the end of the day, an entertainment program was also arranged.

The third day of the conference started with a session in which we were set free to explore nature in solitude and silence. It also contained meditation. The last activity was the world cafe, in which we discussed about social media, sitting in the cafeteria. The concluding session included alumni stories and the valedictory. The leaders were felicitated and the student leadership conference came to a close.

We thank our principal, Dr. Bindu Saini ma'am; vice principal, Ms. Padmavati Banda ma'am; Ms. Swaleha Mujawar ma'am and all our teachers who mentored, and gave us this wonderful opportunity.
