The TechRadiance Junior World Cup 2026

Pune, Maharashtra | 31st October to 2nd November, 2026

S.B. Patil Public School, Ravet, Pune, successfully hosted the **TechRadiance Junior World Cup 2026 – School Zonal Round** from 31st October to 2nd November, 2026. The STEM-based event provided students with an opportunity to demonstrate their creativity, technical knowledge, innovation and problem-solving skills through hands-on activities.

The event featured two major competitions:

- **Drone Challenge (Grades VII–XII):** Participants were evaluated through a written examination, project demonstration and viva voce.

- **Tower Building & Egg Drop Challenge (Grades V–VI):** Participants were assessed based on their model demonstration and viva voce, focusing on structural design, creativity and practical application of scientific concepts.

Based on their performance, **12 students were selected to represent the school at the National Level**, with six students qualifying from each challenge.
