

The United Nations Day Special Assembly

Pune, Maharashtra | 23rd October, 2026

On Friday, 23rd October, 2026, the Red House organised a special assembly to commemorate United Nations Day in the school auditorium during the first lecture, with the participation of students from Grades I and II. The assembly aimed to familiarise young learners with the role of the United Nations and instil the values of peace, unity, mutual respect and international cooperation.

The programme commenced with speeches by students, who shared insights into the purpose of the United Nations and its efforts to promote peace and cooperation among nations. This was followed by a presentation representing different countries, through which students celebrated the diversity of the world and highlighted the importance of respecting different cultures, traditions and ways of life.

A meaningful skit titled *"The World Is Our Home"* was presented, conveying the message that the world is a shared home and that everyone has a responsibility to nurture peace, harmony and understanding. The assembly concluded with a Pledge on Peace, during which students pledged to practise kindness, respect and unity and to promote peaceful coexistence in their daily lives.

The assembly provided an engaging and age-appropriate introduction to global citizenship, encouraging students to appreciate cultural diversity and recognise their role in building a more inclusive and harmonious world. Through the speeches, country presentation, skit and peace pledge, students were encouraged to understand that peace begins with individual actions and that even small gestures of kindness, empathy and understanding can make a meaningful difference.

The United Nations Day special assembly successfully conveyed the message that *peace begins with each one of us*. It reinforced the importance of unity in diversity and inspired young learners to contribute towards a better world through mutual respect, cooperation and peaceful coexistence.
