Pune, Maharashtra | 27th June, 2023

To familiarise students with all the 22 Indian languages of the 8th Schedule of the Indian Constitution, to foster linguistic harmony among students and promote national integration through learning of languages, and to bring students close to the unique cultural hues and diversity of our country through languages, S.B. Patil Public School conducted the CBSE's Ek Bharat, Shresht Bharat Bhaasha Sangam Activity.

Here every month, students are taught about one state in India and familiarised with the culture, traditions, and a few words and phrases from the region.

Throughout the month of June, students of Grades I to V were taught about the State of Assam, and on June 27th, 2023, they performed multiple activities using all they had learned. Grade I and II learnt the numbers from one to ten orally in Assamese whilst students of Grade III to V learnt basic sentences like, "What's your name?", "How are you?", etc.
