
Walking the Path of Truth:

Gandhi Jayanti and Lal Bahadur Shastri Jayanti

Pune, Maharashtra | 1st October, 2026

The school commemorated Gandhi Jayanti and Lal Bahadur Shastri Jayanti on 1st October, 2026 through meaningful special assemblies that brought together students of Grades I, II, X and XII. The celebrations offered students an opportunity to remember two of India's most revered leaders and reflect upon the enduring values of truth, peace, simplicity, discipline, patriotism and selfless service.

Students of Grades I and II presented a special Gandhi Jayanti assembly in the school auditorium. A skit depicting the historic Dandi March brought the story of peaceful resistance to life, while a video presentation further acquainted students with Gandhiji's life and ideals. The assembly concluded with the National Anthem.

A second commemorative assembly, hosted by the Blue House for students of Grades X and XII, paid tribute to both Mahatma Gandhi and Lal Bahadur Shastri. The programme commenced with the ceremonial garlanding of their portraits, followed by a soulful bhajan by the school choir. Students then presented an informative PowerPoint highlighting the lives, achievements and contributions of the two leaders, drawing attention to the values they embodied. An engaging quiz at the end encouraged students to recall and reinforce what they had learnt.

Together, the celebrations reminded students that the legacies of Gandhi and Shastri extend beyond history books. Their lives continue to offer lessons in integrity, courage, humility, discipline, peace and service, encouraging young minds to translate these values into their everyday choices and actions.
