Beyond the Circuit:
Young Innovators Bring Robotics to Life

Pune, Maharashtra | 31st October, 2026

The Robotics Exhibition was successfully organised at S.B. Patil Public School, Pune, on 31st October, 2026, providing students with an exciting platform to showcase their creativity, technical knowledge and practical understanding of robotics. The exhibition witnessed enthusiastic participation from students and an overwhelming response from parents, making it an engaging and enriching experience for everyone involved.

The event was formally inaugurated by Ms. Padma M. Bhonsle Ma'am, in the presence of Ms. Vandana Sangle Ma'am. Their presence and encouragement added significance to the occasion and motivated the young innovators.

Students enthusiastically presented their robotics projects through live demonstrations, explaining the concepts, working principles and applications of their models. The exhibition offered them an opportunity to demonstrate not only their technical skills but also their ability to communicate ideas, answer questions and interact confidently with visitors.

The event was coordinated with the active involvement of teachers Aakansha Agrawal, Varsha Gawali, Saraswati Shinde, Sanika Shinde, Sonali Gunjal and Nayan Khalane, whose efforts contributed to its smooth and successful execution.

One of the highlights of the exhibition was the encouraging response from parents, with approximately 200 parents visiting the exhibition and over 100 feedback responses being received. Parents appreciated the students' innovative projects, confident presentations, detailed explanations and the overall efforts of the Robotics Department. Their positive feedback reflected the value of providing students with practical, hands-on learning experiences.

The exhibition proved to be a meaningful learning experience, allowing students to translate classroom concepts into practical applications while developing problem-solving abilities, creativity and confidence. The enthusiastic participation of students, dedicated efforts of teachers and overwhelming appreciation from parents made the Robotics Exhibition a memorable success for S.B. Patil Public School.
