
Wellness in Focus:

The Annual Medical Check-up 2025

Pune, Maharashtra | 14th to 25th August, 2025

In our continuous efforts to ensure the health and well-being of our school community, a comprehensive medical check-up was organised for all students of Nursery to Grade XII, all faculty, and support staff. The initiative was conducted from 14th to 25th August, 2025, with the dedicated medical team from Yashahree Hospital overseeing the process.

The check-up aimed to promote awareness about preventive healthcare and early diagnosis, thereby fostering a healthier learning environment. Every individual underwent a systematic examination, ensuring that any health concerns could be addressed at the earliest.

We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; HM, Ms. Shubhangi Kulkarni; and administrative manager, Mr. Manish Dhekale for organising this ten-day event.

We extend our heartfelt gratitude to the skilled doctors and medical staff of Yashahree Hospital for their professional support, and to our school nurse, Ms. Sujata Bhalerao for her consistent efforts in coordinating and facilitating the programme. Their contribution played a vital role in making the initiative successful.
