## Attending the Career Fair and Motivational Talk Session

Pune, Maharashtra | 20<sup>th</sup> January, 2025

A career fair was organised by BrainWorld on 20<sup>th</sup> January, 2024. It was held in the Multipurpose Hall. 17 exhibitors from renowned Indian and international educational institutions and universities showcased their professional programmes and courses at this fair.

The prospects of studying abroad, new streams and avenues, etc. were showcased by the representatives present. At first, the career fair was held exclusively for parents, who eagerly spoke to the university representatives about the future prospects of their children.

Following this a motivational talk was held by Ms. Reshu Aggarwal, an educator, and MD of BrainWorld, wherein she spoke to students about preparing one mentally for the future by working hard from today itself. She spoke about self-consciousness, dedication, discipline, and thinking that one can and one will do it. Students were engrossed by her speech and mindfulness session.

We thank Ms. Reshu Aggarwal for giving us her time and lending us her expertise. We thank our principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; administrative officer, Mr. Manish Dhekale; and the career Counsellor, Ms. Susmita Roy for organising this insightful event.
