

A Drop of Hope, A Gift of Life: The Blood Donation Camp at S.B. Patil Public School

Pune, Maharashtra | 13th December, 2025

S.B. Patil Public School, Ravet organised a Blood Donation Camp on 13th December, 2025, in collaboration with the Pimpri Serological Institute Blood Bank. The initiative was conducted on the school premises from 08:00 a.m. to 04:00 p.m. with the objective of supporting the noble cause of saving lives and encouraging voluntary blood donation.

The camp was carried out under the supervision of qualified medical professionals, including Dr. A. B. Patil and Mr. Deepak Patil, along with a dedicated team of technicians — Mr. Santosh Kamble, Ms. Pooja Kamble, and Mr. Ayush Rawale. The team ensured that all medical protocols and safety measures were strictly followed throughout the programme. Transportation and logistical support were efficiently managed by Mr. Peri Swami.

Prior to the camp, faculty members were informed about the eligibility criteria for blood donation, which included age, weight, haemoglobin level, and dietary precautions. Participants were guided appropriately, and preliminary screening was conducted to ensure donor safety.

The camp witnessed active and enthusiastic participation from the school community — faculty, staff, and parents — reflecting a strong sense of social responsibility and compassion. The initiative successfully reinforced the values of empathy, service, and community welfare.

The school extends its sincere appreciation to the medical team from the Pimpri Serological Institute Blood Bank for their professional service and support in making the Blood Donation Camp a well-organised and meaningful endeavour.

We thank the school nurses, Ms. Sujata Bhalerao and Ms. Kalyani Jadhav for overseeing the donation drive. We also thank principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and administrative manager, Mr. Manish Dhekale for organising it. A special note of gratitude goes to the team from the Pimpri Serological

Institute Blood Bank.
