
Exploring Future Pathways: Career-Oriented Field Trip to Best Automation, MIDC, Bhosari

Pune, Maharashtra | 8th November, 2025

On Saturday, 8th November, 2025, the students of Grades XI and XII from S.B. Patil Public School embarked on an insightful, career-oriented educational visit to Best Automation, located in MIDC, Bhosari. The visit aimed to provide students with a practical understanding of the growing significance of Artificial Intelligence (AI) and engineering courses, helping them make informed decisions about their future career paths.

Students from the Commerce stream of Grades XI and XII also had the opportunity to visit the Accounts Department, where they observed first-hand how commercial and accounting principles are applied in a real-world business environment.

Mr. Nitin Sarode and his team conducted an engaging and detailed session, offering valuable insights into the workings of the industry. The visit proved to be an enriching experience, igniting curiosity and motivation among students to pursue fulfilling professional journeys.

The school extends heartfelt gratitude to principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; administrative manager, Mr. Manish Dhekale; and career counsellor, Ms. Susmita Roy, for organising and facilitating this informative and inspiring field trip.
