

Little Elves and Festive Hearts: Celebrating Christmas and Red Colour Day

Pune, Maharashtra | 23rd December, 2025

The Foundational Section truly sparkled with festive cheer as our little ones came together to celebrate Christmas in the most delightful and joyous way. On 23rd December, 2025, the classrooms were alive with excitement as children enthusiastically participated in a variety of creative activities that nurtured imagination and festive spirit alike.

From sprinkling shimmering glitter to crafting beautiful golden glitter paper flowers, engaging in cotton-sticking activities, and creating the most adorable snowmen, every moment was filled with wonder and creativity. Adding to the excitement, the children folded their very own Santa hats, proudly sporting their festive creations with infectious smiles.

The celebrations reached a magical high when Santa himself joined the children, dancing along as they laughed, clapped, and danced their hearts out. It was a celebration brimming with happiness, laughter, and unforgettable memories — truly a bundle of joy for everyone involved.

Meanwhile, students of Grades I and II celebrated Red Colour Day along with the Christmas Celebration in the school auditorium.

The aim of the Red Colour Day and Christmas Celebration was to help students recognize and identify the red colour in a fun and engaging way, while also spreading the joy and spirit of Christmas. The celebration encouraged creativity, confidence, and participation through songs, dance, ramp walk, and interaction. It also aimed to develop social skills, cultural awareness, and joyful learning.

The special celebration began with the joyful Christmas song, “Jingle Bells”, which created a festive atmosphere. Students enthusiastically participated in a ramp walk, carrying and wearing different red-coloured objects. They also spoke a few lines about red-coloured objects, which helped them learn with confidence. All the students performed energetic dance performances and enjoyed every moment.

The most exciting and surprising moment of the celebration was the entry of Santa Claus, which filled the auditorium with happiness and laughter. The celebration was colourful, joyful, and memorable for all the students.
