
In Memory of Padmashree Dr. S.R. Ranganathan: Celebrating National Librarian's Day

Pune, Maharashtra | 12th August, 2023

12th August, 2023 marked the 131st birth anniversary of who is known as the Father of Library Science. Dr. Ranganathan a librarian and mathematician and his most notable contributions to the field were his five laws of library science and the development of the first major faceted classification system, the colon classification.

To commemorate the occasion, S.B. Patil Public School's library team organised a book fair for the teachers, parents and students of Grades III and IV.

We thank the librarians, Ms. Swati Khaire and Ms. Anjali Garge for their motivation and dedication towards inculcating and spreading the habit of reading amongst students, faculty and parents.
