

Dessimitating Prerana via Parishram and Samarpan

Pune, Maharashtra | 30th June, 2026

In an endeavour to inculcate moral values aiming our teenage students, on 30 June 2026 our school's Prerana Navratnas Club conducted an inspirational morning assembly for our students of Grade IX and XI.

Club in charge, Ms. Swaleha Mujawar presented the two life values — much needed for our teens to face struggles and obstacles in life. The presentation highlighted the works and voices of great Indian stalwarts lie Flying Sikh Milkha Singh Ji, Artist of the Century Shri Amitabh Bachchan, God of Cricket Bharat Ratna Sachin Tendulkar. These people made it to the finishing line- passing the track of negative vibes, pessimist environment, rejection & failures – to the pinnacle of success – where success is defined by their name.

Students were deeply inspired by the presentation. The audio-visuals presented left them thinking about how important it is not to be deterred by one failure or a set of difficulties – but to move each single step ahead — with *Parishram* and *Samarpan*.
