

For the Sake of Quality Education: At the CBSE Hubs of Learning Initiative and Winning it Too

Pune, Maharashtra | Tuesday, 22nd October

Hubs of Learning is a CBSE initiative that aims to improve education quality and promote self-improvement by creating collaborative partnerships by forming groups of 7-8 schools.

Schools are expected to be both "givers" and "receivers" of support, resources, and opportunities for learning. Hub schools plan a variety of scholastic and co-scholastic activities whilst sharing resources like laboratories, auditoria, and sports facilities to organise events like training, science exhibitions, art exhibitions, and sports and cultural events.

Mansukhbhai Kothari National School hosted a Hubs of Learning event on Tuesday, 22nd October, 2024. Faculty from our school took part in Experiential Learning Activities in the subjects of Science and Social Science, English, Hindi/ Marathi. Dr. Mridula Singh, Deputy Secretary, CBSE CoE Pune was the guest of honour for the event.

We congratulate principal, Dr. Bindu Saini; vice principal, Ms. Padmavati Banda; and HM, Ms. Shubhangi Kukarni and the following winners for achieving laurels.
