
The National Youth Day Inter-house Quiz Competition

Pune, Maharashtra | 12th January, 2026

The CCA team, in collaboration with the Social Science and English Departments of grades IX and XI, marked National Youth Day with an engaging and intellectually stimulating Inter-house Quiz Competition. The event aimed to commemorate the ideals of youth empowerment, critical thinking, and moral strength inspired by the life and philosophy of Swami Vivekananda.

The quiz was meticulously planned and flawlessly conducted by Ms. Aparna Pandey, Ms. Sayalee Deshmukh, and Ms. Amrapali Nikalje, who steered the competition seamlessly from the preliminary rounds to the final showdown. Their structured approach and dynamic moderation ensured high levels of participation and sustained enthusiasm among the students.

Through thought-provoking questions and rapid-fire rounds, participants gained deeper insights into Swami Vivekananda's extraordinary life journey, his vision for India's youth, and his enduring message of courage, character, and service. The competition not only tested knowledge but also encouraged students to reflect on values that remain profoundly relevant in today's world.

After a closely contested final round, Green House emerged victorious, earning well-deserved applause for their teamwork, presence of mind, and subject mastery. The event stood as a fitting tribute to National Youth Day — blending learning with healthy competition, and reinforcing the spirit of inspired, informed, and empowered youth.
