
Nurturing Nature, One Sapling at a Time: Ek Ped Maa Ke Naam 3.0

Pune, Maharashtra | 13th July, 2026

S.B. Patil Public School enthusiastically participated in the 'Ek Ped Maa Ke Naam 3.0' campaign under Mission LiFE, reaffirming its commitment to environmental conservation and sustainable living. The plantation drive, conducted on 13th June, 2026, witnessed active participation from students of Grades I to X, supported by nearly 50 teachers.

Adding a meaningful dimension to the initiative, students celebrated their birthdays by donating saplings to the School. Around 100 saplings were planted across the School campus, while several students extended the initiative beyond the campus by planting saplings at their homes and in their societies alongside their mothers, symbolising the special bond between nature and motherhood. Earlier, students of Grades I and II had also participated in classroom plantation activities on Earth Day, nurturing environmental awareness from an early age.

Approximately 800–900 students participated enthusiastically in the campaign and pledged to nurture the saplings and contribute towards a greener future. In recognition of its contribution to the nationwide initiative, the School was honoured with a School Participation Certificate.

The plantation drive was successfully conducted under the guidance of the Principal, with the dedicated efforts of the CCA In-charges, Eco Club Coordinators, Eco Club Teachers, Science Teachers and Social Science Teachers. Through such meaningful initiatives, S.B. Patil Public School continues to nurture environmentally conscious learners and instil the values of responsibility, sustainability and respect for nature.
