

Observing Janajatiya Gaurav Diwas 2025 with Insightful Events

Pune, Maharashtra | 15th November, 2025

In accordance with the guidelines issued by CBSE, S.B. Patil Public School, Ravet, Pune organised a series of educational and commemorative activities to mark Janajatiya Gaurav Diwas 2025. The occasion, observed annually on 15th November, was instituted by the Union Cabinet on 15th November, 2021 to honour the unparalleled contributions of India's tribal freedom fighters. The date also commemorates the birth anniversary of the revered tribal leader and freedom fighter, Birsa Munda.

In line with the directives, the school conducted engaging and informative sessions centred on the history, cultural legacy, and contemporary status of tribal communities in India. These sessions — held during morning assemblies as well as within classrooms — provided students with valuable insights into the pivotal role played by Bhagwan Birsa Munda in igniting self-respect, unity, and patriotic fervour among the tribal communities during the pre-independence period. His dedication, leadership, and unwavering commitment to his people elevated him from being a tribal youth to a symbol of courage and a spiritual force for millions who have long existed outside mainstream societal narratives.

The programme was guided by the school principal, Dr.

Bindu Saini, whose vision shaped the direction of the celebrations. Vice principal Ms. Padmavati Banda, co-curricular heads Ms. Sujata Bhoite and Ms. Kranti Kulkarni, along with other faculty members, worked in close coordination with Ms. Swaleha Mujawar to ensure the successful planning and execution of the day's events.

Through these activities, the school aimed to instil among students a deeper appreciation of India's diverse cultural heritage and the invaluable contributions of its tribal communities to the nation's freedom and identity.
