

# Unfolding Japan: A Glimpse into Culture, Career, and Courtesy

Pune, Maharashtra | 10<sup>th</sup> October, 2025

The “Know Japan” session, held on 10<sup>th</sup> October, 2025 at PCCoE, Pune, was an engaging and informative event designed to introduce participants to various aspects of Japanese culture, society, and contemporary issues.

Hosted by PCCOE, Pune, and graced by Honourable Guest Renya Kikuchi San, the session aimed to provide students with a deeper understanding of Japanese traditions, career opportunities, and the realities of modern-day Japan. Participants gained valuable exposure to Japan's unique industries and work culture, offering insights that extended beyond textbook learning. The discussion covered key elements such as professional etiquette, teamwork, and long-term career prospects in Japan, making it an enlightening experience for students aspiring to study or work

abroad.

In connection with this, a brief session was also conducted on the MEXT Scholarship (short for “Monbukagakusho Scholarship”) — a prestigious programme offered by the Japanese government through the Ministry of Education, Culture, Sports, Science and Technology (MEXT). This scholarship supports international students wishing to pursue undergraduate, research, master's, or doctoral studies at Japanese universities.

The MEXT Scholarship awareness session was arranged by Ms. Hamuro Megumi, Consul General of Japan in Mumbai. Three of our faculty members attended this event along with students: Ms. Shweta Ganvir, Japanese Language Teacher; Ms. Priyanka Bendre, German Language Teacher; Ms. Sumati Mahajan, French Language Teacher.
