
Across Borders, For the Earth: A Virtual Meeting with Shinheung Middle School

Pune, Maharashtra | 23rd and 24th December, 2025

On 23rd and 24th December, 2025, our school conducted a successful virtual meeting with Shinheung Middle School, S. Korea on the theme of SDG 15 - Life on Land as part of the British Council RIDS collaboration on Activity 5 - Unravel the Magic on Land - Flora and Fauna in India, South Korea and Dubai.

The Korean students gave an insightful PPT presentation on the Han River cleaning project in Seoul, S. Korea and shared the measures to mitigate climate change leading to the deteriorating eco system of the river.

Our students also gave a colour presentation on endangered species of flora and Fauna in India, S. Korea and Dubai to raise awareness about protecting the environment by saving the endangered species of plants and animals.

Here are few glimpses of the virtual meeting.
