
Winning the Cyber Genius Competition

Pune, Maharashtra | 14th to 19th November, 2024; and 21st January, 2025

Students of Grades III to V participated in online Cyber Genius Competition. The event was organised from 14th to 19th November, 2024 by Dr. Kalmadi Shamrao Primary School in association with Myelin.

Cyber Genius Inter-school IT Competition is a popular competition set for all Grades I to IV students across India that encourages students to test their computer skills. The competition was an online competition in which students participated individually. Students from several schools took part in the event, making it a diverse and competitive platform for young coders.

With the results announced on 24th December, 2024, we congratulate Harsh Patil of Grade I for winning the first prize, Durvish Jawale of Grade IV for winning the second prize, and Samanyu Chaudhari of Grade II for winning the third prize.

The Cyber Genius Inter-school IT Competition was aimed to inspire and enhance IT skills among students. It ensured a fair, transparent, and high-quality contesting experience. The remarkable performance of Harsh Patil, Durvish Jawale and Samanyu Chaudhari from S.B. Patil Public School underscored the quality and enthusiasm of the participants. They all were felicitated by the school principal, Dr. Bindu Saini on 21st January, 2025 during the morning assembly.

We once again extend our congratulations to all the winners and participants and look forward to more such enriching events in the future.
