
Winning the PCMC Olympia Meet

Pune, Maharashtra | 11th January, 2026

Students of S.B. Patil Public School delivered an impressive performance at the PCMC Olympia Meet, bringing home silver medals and making the school proud.

In the Under-12 category, Ojas Gaikwad of Grade V showcased excellent speed and coordination as part of the 4×50 metres relay team, securing a silver medal against strong competition. His performance reflected disciplined training and commendable teamwork on the track.

Adding to the school's success, Yuvaan Gaikwad from Grade III competed in the Under-10 category and earned a silver medal in the standing broad jump, recording an impressive jump of 1.67 metres. His achievement highlighted both strength and technique at a young age.

These accomplishments at the PCMC Olympia Meet stand as a testament to the students' dedication, the guidance of their coaches, and the school's continued emphasis on nurturing sporting talent alongside academic excellence. The school congratulates Ojas and Yuvaan for their outstanding performances and wishes them continued success in future competitions.
